Вива е българска компания създадена през 1997 г. Основната ѝ дейност е внос и производство на продукти за осветление и дистрибуцията им на българския пазар. Днес, 13 години след създаването, Вива е добре познат и един от водещите и предпочитани доставчици в областта на осветлението в България.

За Вива

Нашите клиенти

- водещи вериги хипермаркети за строителство и обзавеждане
- специализирани центрове и магазини за осветление
- търговски компании за електроматериали
- производители на осветление
- мебелни производители
- строителни компании и други

Продукти

Основна цел на Вива е създаването, производството и дистрибуцията на продукти с високо качество, удобни и безопасни за употреба, с конкурентни за пазара цени. Това става възможно, чрез използването от нас високачествени материали и готови продукти, доставени и произведени за нас от нашите партньори в чужбина. Ние винаги доставяме на нашите клиенти продукти с възможно най-добро качество съответстващи на Европейските стандарти.

Следвайки световните тенденции на пазара, новите технологии и глобалния стремеж за опазване на околната среда Вива предлага широка гама енергоспестяващи източници на светлина – LED и компактни луминесцентни лампи, разнообразни осветителни тела на база на LED и енергоспестяващи светлинни източници.

Вива произвежда и предлага на пазара светлинни източници и осветителни тела със собствени търговски марки Vivalux и Tommy lighting..

Обслужване

Постоянният контакт с нашите клиенти, тяхното мнение и препоръки са водещи при планирането на последващи успешни стъпки в нашето развитие. Постоянното подобряване на комуникацията с пазара и коректното обслужване са в основата на политиката на Вива.

Основни наши предимства са широката дистрибуторска мрежа за продажба на продуктите и възможностите за бързи доставки до всяка точка на страната.

Вива е базирана в град в югоизточната част на България. От настоящата 2010г. офисите, производствената и складова база на фирмата са разположени в нова модерна собствена сграда с площ от 2000 кв.м

С цел повишаване нивото на управление, организация и оптимизиране на процесите в компанията през 2006 г. във Вива въведохме Система за управление на качеството ISO 9001:2008 потвърдена със сертификата от авторитетната международна организация LRQA

Viva Ltd is a Bulgarian company established in the year 1997. Our main activity is import and assembling of products for lighting and their distribution on the Bulgarian market. Today 10 years after the establishment Viva Ltd is a well known and one of the leading and favoured supplier in the sphere of lighting in Bulgaria.

About Viva Ltd.

Our clients:

- multiple hypermarkets – leaders in building and furniture equipment
- leading professional centers and stores profiled in illumination
- trade companies dealing with electric fittings
- manufacturers of illumination
- furniture manufacturers
- building companies and others

Product Range

The main objective for Viva Ltd is creating, producing and distributing high quality products that are non hazardous and easy to handle at reasonable market price. That is achieved by the use of high quality components manufactured and supplied for us by our partners abroad. We always offer our clients products with the best possible quality and in compliance with the European standards.

Keeping up with world market tendencies, new technologies and global environmental friendly trend Viva is offering wide range of energy saving lighting sources – LED and compact fluorescent lamps, variety of lighting fixtures based on LED and energy saving lighting sources.

Viva Ltd produces and offers on the market lighting fixtures under its own brand names Tommy Lighting and Vivalux.

Service

Regular contacts with our clients, their opinion and recommendations are fundamental when planning further successful steps in our development. Constant improvement in the communication with market and the upright service provide the basis of Viva Ltd company policy.

Our main advantages are the wide distribution network and the opportunity for fast deliveries to any place in the country.

Viva is based in a town in South Eastern part of Bulgaria. Since 2010 the offices, production and warehouse premises are situated in Viva's own new modern building with total acreage of 2000 sq.m

In 2007 with the purpose of raising the level of management, organization and process optimization in Viva Ltd we initiated the establishment of Quality management system ISO 9001:2000 approved by LRQA certificate.

NOTES

Sign	Interpretation
	Mains voltage 12V
	Mains voltage 230V
	Mains frequency
	Maximum power
	Electric current
	Index of protection IP20
	Index of protection IP44
	Index of protection IP54
	Light source/ halogen lamp MR11
	Lamp base GU4
	Lamp base GU10
	Lamp base GU5,3
	Lamp base G4
	Lamp base G9
	Lamp base E27
	Lamp base E14
	Works with FLOLUX lamp
	Works with R7s lamp base CFL
	Lamp base R7s
	Lamp base G5
	Lamp size T5
	Maximum work temperature 190
	Suitable for incandescent and energy saving lamp
	28 LEDs inside
	300 LEDs inside
	High power LED
	light source life
	Number of on-off cycles
	Dimmable
	Non dimmable
	Beam angle
	Chromaticity (Kelvin)
	General color rendering index
	Suitable both for indoor and outdoor use
	Minimum distance
	Mounting cable
	Cable with plug
	With 25 cm cable
	Class I
	Class II
	Class III
	Suitable for mounting in any position
	Suitable on mounting on flammable surfaces
	A class of energy efficiency
	CE compliance
	Circular mounting hole
	Rectangular mounting hole
